# Viomi Ai health Cross 2 AC

## Smart app control

Work with Mijhome and Yandex

## Health

UVC Sterilization of 99.2%

VIOMI AI Air Conditioner Cross Series

# Viomi Ai Comfort Master AC

## Smart app control

Work with Mhome and Yandex/Alice

## 5 star Comfort and health

AI all-around airflow

五星舒适

# Super 3 Deep Sleep

VIOMI AI All-directional Air Conditioner

AI All-directional Wind 2.0

Won't Wake Up Cold at Midnight  
Sleep Until Dawn

# Viomi Ai Comfort Space AC

## Smart app control

Work with Mihome and Yandex/Alice

## 5 star Comfort and health

AI all-around airflow

## All directions wind

Up, down, left, right, out of the wind in all directions

I have been working on airflow research

# Viomi Ai Comfort Space Pro AC

## Smart app control

Work with Mijia and Yandex/Alice

## 5 star Comfort and health

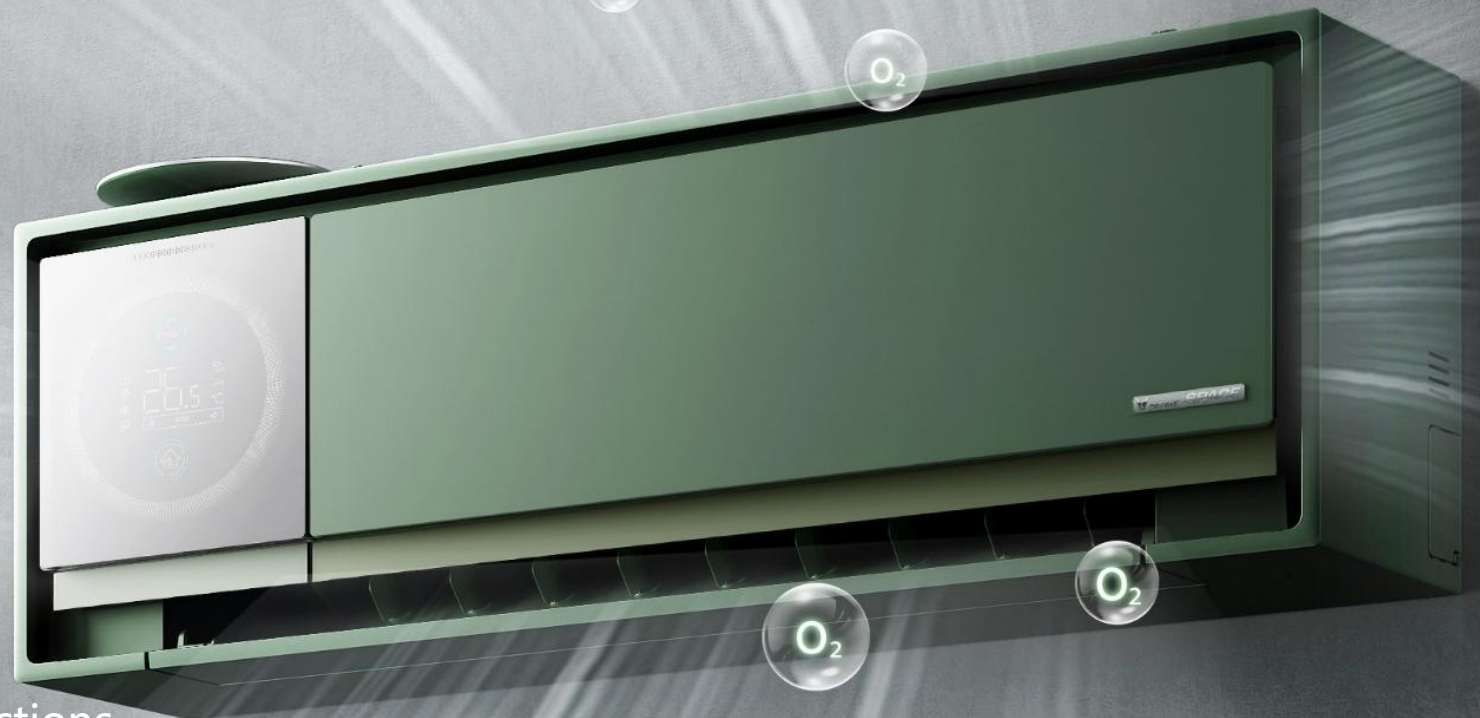

AI all-around airflow

## All directions wind

Up, down, left, right, out of the wind in all directions

## Fresh Air Ventilation System

Breathe Pure, Live Better

# AI Air System

## Smart app control

Work with Mihome and Yandex/Alice

## Health

UVC Sterilization of 99.2%

## Comfortable

CSI and 5star comfortable

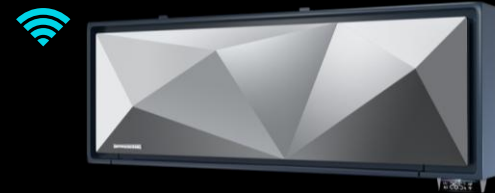

### Cross 2

- Smart app control
- UVC Sterilization of 99.2%

### Master 3

- Smart app control
- 4.93 for 5 star Comfort and health

### Space X

- Smart app control
- 5 star Comfort and health
- Intelligent four-sided air outlet

### Space Pro

- Smart app control
- 5 star Comfort and health
- Intelligent four-sided air outlet
- Fresh Air Ventilation System

# More Air System Product

## Smart app control

Work with Mihome and Yandex

## Health

UVC Sterilization of 99.2%

## Space Adaptability

Portable, Space-Saving, Adaptive

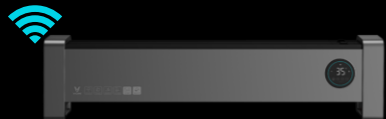

Graphene Simulated Flame Heater

- 5 Seconds Fast Heating
- The graphene coating enables faster heat conduction
- APP control
- **Air Purification Technology**

Graphene Heater

- 5 Seconds Fast Heating
- The graphene coating enables faster heat conduction
- APP control

Heater with humidification

- 5 Seconds Fast Heating
- Humidification
- APP control

FLoor Fan

- Multi-directional oscillating air flow
- Direct Current Inverter Motor
- Smart app control

Loop Fan

- Negative ion Purification System
- Intelligently adjust the air volume according to the temperature
- Smart app control

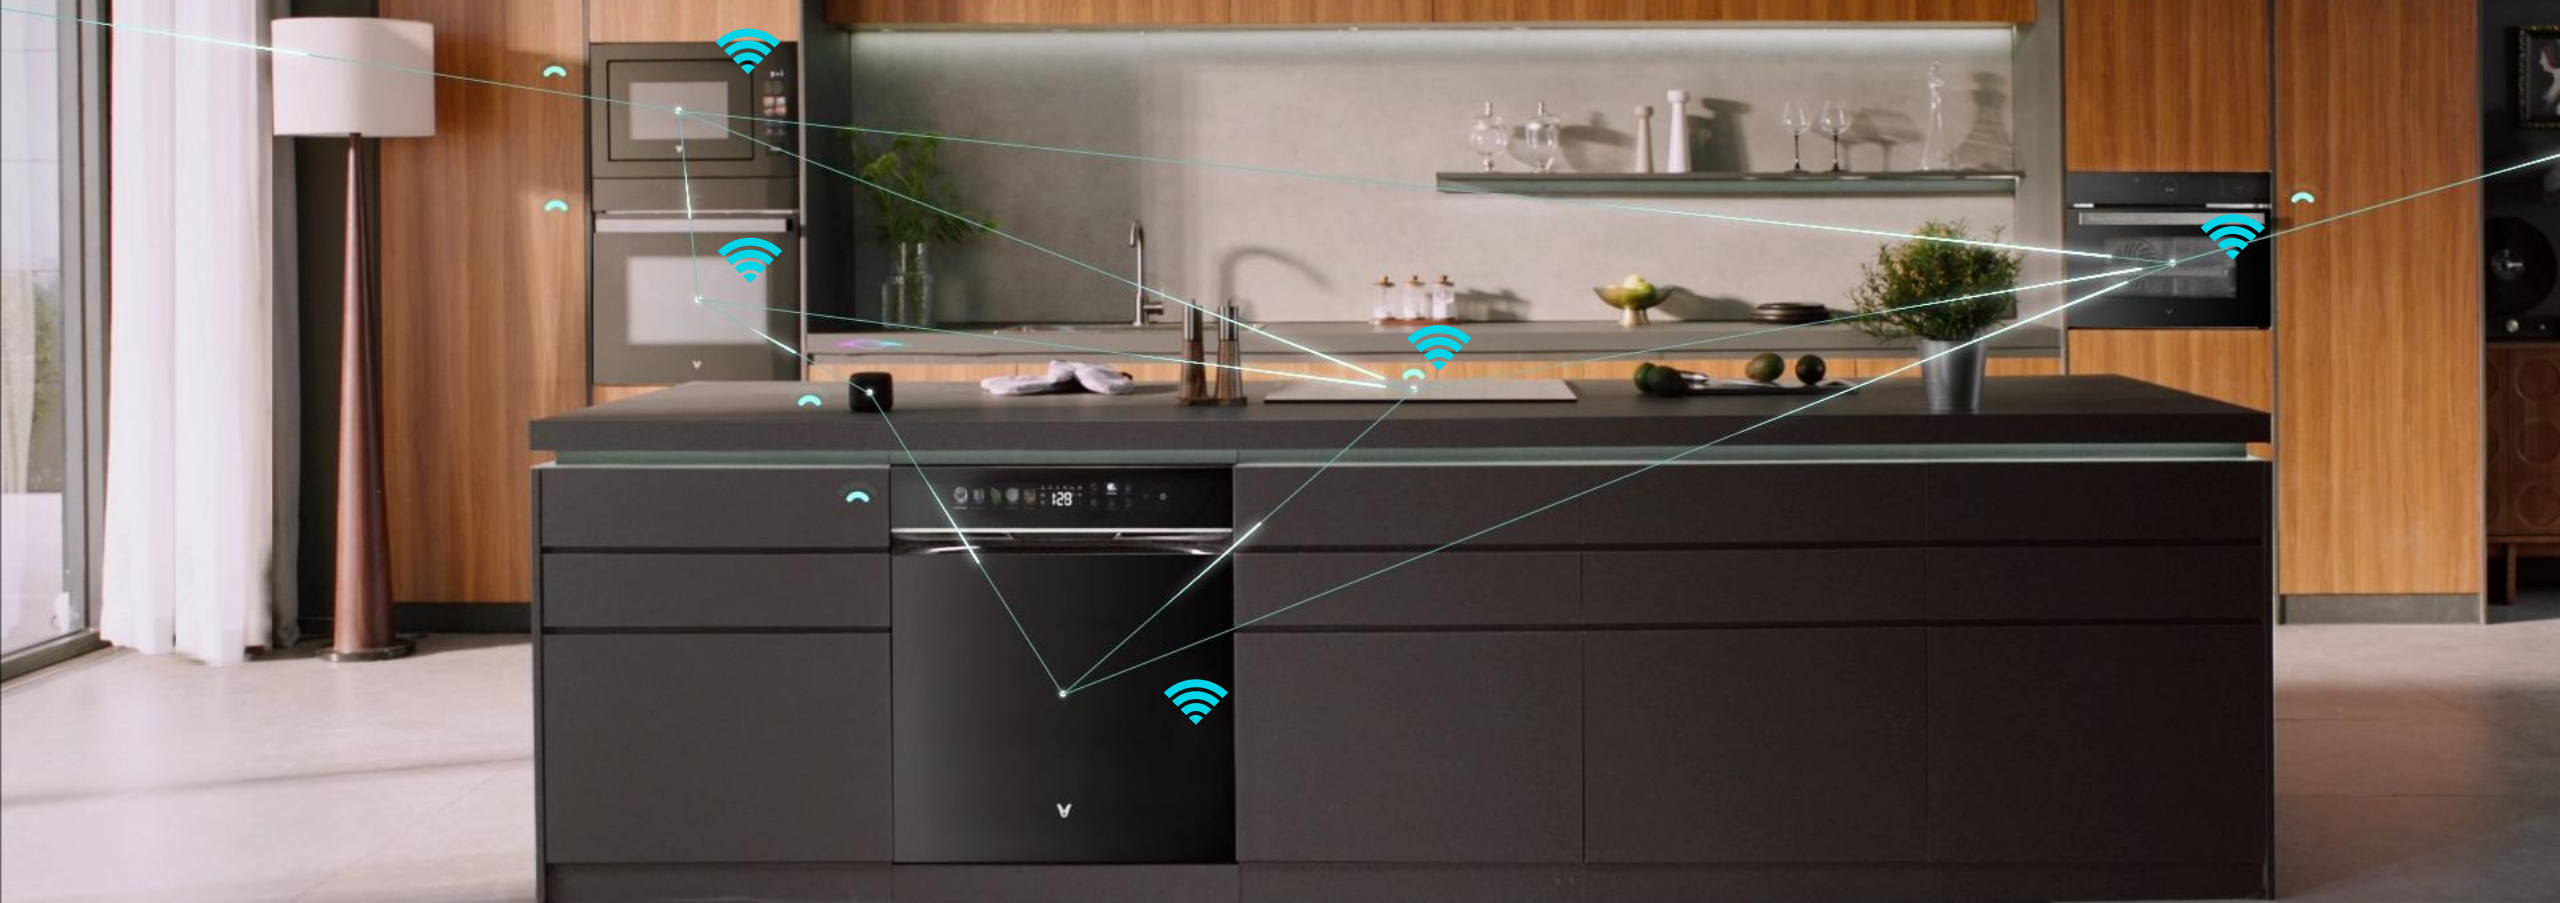

Smart Air Purifier

- mosquito-killing UV lamp
- Filter dust, bacteria, PM 2.5 and other complex hazardous substances

# AI Kitchen

Colorfully panel family design ,Smart app control

Induction Hob

80/50L Oven

Microwave oven

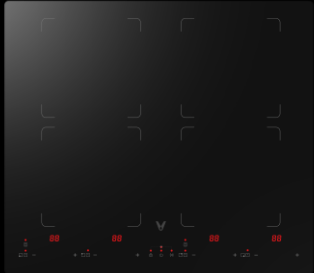

Dishwasher

# AI Kitchen

Colorfully panel family design ,Smart app control

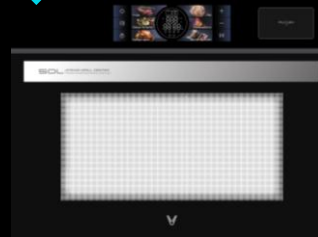

Induction Hob 701/702

- 7200W High Power
- Four Zones for Quick Flavor Enjoyment
- Smart app control

80L Oven

- 80L capacity multi-layer cooking
- 360° hot air
- Smart app control

50L steam Oven

- 50 L capacity multi-layer cooking
- 360° hot air
- Steam heating
- Smart app control

Microwave oven

- 25L Large Capacity
- 850W Fast Heating
- Smart app control

Dishwasher

- 16 sets large capacity
- Three layers of stereo spray
- Smart app control

# AI Kitchen

AI technology, Power static pressure, Smart app control

Cross 3E range hood

- 1000Pa static pressure
- AI Smart Clean
- AI Gesture
- Smart app control

Super 3 Black/White range hood

- Color Touch Screen
- 1100Pa static pressure
- AI Smart Clean
- AI Gesture
- Smart app control

VIOMI

# STYLISH AND COMPACT

Sleek and slim, it fits any kitchen or living space.

2 Installation Options:

Option 1 - Tabletop

Option 2 - Undersink

# Smart Water Purifier

## Smart app control

Real-time TDS & consumption tracking.

## 9-Stage RO Filtration

Bamboo charcoal releases metasilicate acid.

## Effortless Cartridge Replacement

One-touch horizontal cartridge design

NANO<sup>0.1</sup>

- 600G flow rate
- 5 grade fine filter
- Smart app control

NANO<sup>0.1</sup> HOT

- 600G flow rate
- 5 grade fine filter
- 1 second hot water
- Smart app control

PREMIUM NANO<sup>+</sup>

- 8 00G flow rate
- 6 grade fine filter
- 1 second hot water
- Smart app control

V6

- 600G flow rate
- 9 grade fine filter

V8

- 800G flow rate
- 9 grade fine filter

V10

- 1000G flow rate
- 9 grade fine filter
- 1 second hot water

N1

- Versatile for both hot and cold
- UVsterilizationSmart app control

# Viomi Ai MDA built-in Appliance

## Smart app control

Monitor/operate via mobile app.

## Ultra-Slim Integration

Space-saving for tight installations.

## Multi-Tech Hub

Integration of multiple functions

- AI accurately delivers laundry detergent
- 6 grade fine filter
- ultra-thin body
- Duct flushing
- 530mm large barrel diameter
- Smart app control

\*以上对比为云米自有产品

## Super 2s

- 10KG wash + 8KG bake, smooth wash and bake
- DD frequency conversion direct drive
- Low temperature smart soft baking
- Multiple washing and drying procedures
- color touch screen
- Multiple sterilization, dander removal

## Master Washing and drying

# Master 410L

## Compact Size, Large Capacity

- 410L extra-large capacity
- Separate storage for dry and wet items, precise storage
- 6 variable temperature level
- Reversible Door
- Smart APP control / Yandex

# Super2s 508L

- Dual refrigeration system
- Embedded-installed
- Ag+ antibacterial net taste
- -32°C cryogenic quick freezing
- High-capacity storage solution
- Diverse temperature storage space
- Connected intelligence

# MDA Appliances

## Smart app control

Monitor/operate via mobile app.

## Ultra-Slim Integration

Space-saving for tight installations.

## Multi-Tech Hub

Integration of multiple functions

### Super 2s

- Duct flushing
- 530mm large barrel diameter
- Smart app control

### Master Washing and drying

- DD frequency conversion direct drive
- Low temperature smart soft baking
- Smart app control

### Master 410L

- 410L extra-large capacity

- 6 variable temperature level
- Reversible Door
- Smart app control

### Super2s 508L

- Dual refrigeration system
- Ag+ antibacterial net taste
- -32°C cryogenic quick freezing
- Smart app control

# Cleaning Appliance

Smart app control, No installation required

A9

- controlOne-Click Start
- Removable Battery
- Lightweight Design
- 4-Brush-Heads
- LED Headlight Brush
- Super Powerful suction

Master 10

- Compact size
- Powerful suction
- Anti-hair entanglement
- MiHome APP control

Master 10 Pro

- Dust collection & emptying
- Anti-hair entanglement
- MiHome APP control

Master 10 Max

- In-depth edge cleaning
- Auto mop lifting
- Anti-hair entanglement
- MiHome APP control

Master 10 Ultra

- Multifunctional
- AI Obstacle Avoidance
- Anti-hair entanglement
- MiHome APP control

# More Products

Smart app control, No installation required

Smart disher

- 6-side rinse, helps with deep cleaning
- Hot circulation air to remove moisture and odor+UV sterilization
- Smart Mijia App
- Personalized settings

Electric Kettle Pro

- Real-time temperature display
- OLED screen
- Strix thermostat
- 1800W rated power
- Four Stages for Heat Insulation
- Triple Safety Protection
- MiHome APP control

Stainless Steel Kettle

- 1.5L capacity
- 1800W rated power
- Double Safety Protection
- Damped open cover
- 5 Mins heating time

Stainless Steel Kettle

- Real-time display of filter life
- Clean and hygienic
- Long-lasting, durable and affordable
